CAMPBELL COUNTY SCHOOL DISTRICT

CLASS OF 2021

Campbell County School District Local Scholarship Program

December 1, 2020

Campbell County School District Seniors:

Campbell County School District is honored to coordinate the largest local scholarship program in the state, confirming Campbell County's support of our youth. CCSD Seniors are fortunate to be the recipients each year of over \$300,000 in scholarship money donated by local businesses, clubs, organizations, and families.

The high school counseling offices act as facilitators between CCSD students and the scholarship donors. Please keep in mind that recipients are selected by the scholarship donors or their committees, not by the counseling office staff. Due to the number of students applying we cannot guarantee that every student will receive a scholarship; however, the more you apply for, the greater your chances will be.

Scholarships are intended to assist with your college tuition and expenses. You may also need to pursue other types of financial aid available by completing the FAFSA and other applications required by the college you will attend.

Please carefully read the **Application Instructions** pages before you begin. These two pages outline exactly how to complete your packets. Incomplete application packets will not be considered. If you have any questions, please stop by the counseling office in your school.

Thank you,

Liz Gonzalez
